Free Distance Learning Course Now Available on Medication Assisted Recovery

Wallingford, CT – The CCB is pleased to announce a **FREE** Science 2 Service Distance Learning Course on Medication Assisted Recovery approved for 1 hour of CCB approved CEUs. Please click [HERE](#) for the course.

This **FREE** course addresses Medication Assisted Recovery as an emerging trend in the treatment of substance use disorders.

The content was featured in the April 2010 issue of [COUNSELOR Magazine](#): The Magazine for Addiction Professionals.

For more information about the free Science 2 Service Distance Learning Course, please visit our website at www.ctcertboard.org or contact the CCB office for assistance.
