### **CCB Announces NEW Fall 2010 CCB Training Catalog**

The CCB is pleased to announce that the **NEW Fall 2010 Training Catalog is now available on the CCB website**. The catalog features a wide array of training events on current trends, evidence-based practices, and science-based content within the behavioral health field. It also offers several types of learning opportunities: live workshops, blended courses (workshops and self-paced learning module courses), electronic self-paced distance learning programs (electronic workbooks on CD), and computer-based distance learning programs.

The catalog includes several types of training events that are full or half-day workshops as well as multiple session courses. While most of the courses are without cost and open to the public, some courses have registration costs. Scholarships and payment plans are available for most programs.

The NEW CCB Fall 2010 catalog features:

- **Over 30 FREE Workshops!**
- Evidence-Based Practices and Professional Development Courses
- **NEW Lower Prices on all CCB Science 2 Service<sup>®</sup> Distance Learning Programs!**
- **NEW Discount Program for CCB Science 2 Service<sup>®</sup> Distance Learning Packages!**
- Expanded self-paced Science 2 Service<sup>®</sup> Distance Learning Programs approved for CCB initial certification or recertification hours
- Blended Courses (intensive workshops and self-paced learning module courses) on **Medication Assisted Recovery** and **Clinical Supervision**
- Several NEW courses offered on Current Trends and Topics
- NEW CCB Certification Process Course Format and Expanded Coaching Sessions
- Scholarship and Payment Plan Assistance
